

# BAR OPTIONS

We offer tiered bar packages so you can choose the package that best fits you and your guests. The following guidelines apply:

Current Minnesota Liquor Tax and 18% Service Charge have been applied to all beverage prices, as well as individual wines or champagnes served by the bottle. Prices and availability subject to change.

One (1) Bartender and one (1) bar set-up is needed for every 100 guests present. A \$75.00 Bartender fee applies for every bartender required. A bar captain may also be required at the Lake Elmo Inn's discretion.

All food and beverage must be supplied by the Lake Elmo Inn's Event Center.

Hosted Bar: All charges for beverage consumption will be added directly to the host's bill at the end of the event.

Cash Bar: Guests will purchase their own beverages individually.

Time/Cash Limit: We will be happy to monitor your guests' beverage consumption cost and limit it to a predetermined timeframe and/or dollar amount. We provide this as a added service and will do our best to stay within these limits, however we cannot guarantee exact ending times and/or dollar amounts. Some restrictions may apply.
